

Kendall Amateur Radio Society
Feb. 2, 2023 Regular Member Meeting Minutes

7:00 PM: The City had blocked all entrances to the Agricultural Center due to unknown reason.
We expect it was due to fallen trees/limbs from the ice storm.

No official meeting could be held at the Pioneer House so meeting was canceled.
Individuals wishing to gather did so at Inferno's Pizza on Hwy. 46 across from the Pioneer House. There were sixteen members in attendance. Public place was too noisy and crowded to hold a meeting so there was good conversation, camaraderie and general good time had by all.
